The Laws of Desire

10 TRUTHS THAT EMPOWER YOU TO CREATE WHAT YOU TRULY DESIRE

1 YOU HAVE AN ESSENCE, AND IT SEEKS TO CREATE.

Each of us has a pure part that exists beyond personality and ego. This is your Essence which harbors a deep, primal urge to grow and expand. This is your Desire, and it is always moving you toward the highest good of yourself and others.

2 DESIRE IS THE DIVINE, SPEAKING THROUGH YOU.

Your Desires are not an accident. Because your Essence is a manifestation of the Divine (Source energy), the source of your Desire is God(dess) Herself.

3 YOUR THOUGHTS, FEELINGS AND PERCEPTIONS ARE NOT THE TRUTH.

They merely represent what you *believe* is possible. Consciously choosing new thoughts and feelings leads to new actions and outcomes. In any situation, an infinite number of alternative possibilities exist simultaneously.

4 WHAT YOU ENERGIZE, MANIFESTS.

We each have a choice as to what we give power to in our consciousness. What we give power to, we create.

5 YOUR WILL IS YOUR WAND.

Your Will is the purpose your soul is here to fulfill. Your will is your power to choose. Your creative power is fueled by your will, in service of your Desires and purpose on earth. Your choices create your results.

6 YOUR SUPPLY IS TRULY UNLIMITED.

Your supply comes to you from the Divine *through* other people. There is no limit to the resources you have available to you, including money.

7 EVERYTHING YOU WANT IS ALREADY HERE.

Everything has its opposite, and they exist simultaneously. Therefore, we cannot have a Desire without the way for the Desire to be made manifest to also be present.

ENVIRONMENT INFLUENCES OUTCOME.

8 Humans are wired to adapt to their surroundings, both internal and external. You will be unconsciously pulled toward what is in your environment – “good” or “bad” – whether you like it or not.

9 YOU DON'T HAVE TO “DO” ANYTHING BUT TAKE ALIGNED ACTION.

“Doing” is about fulfilling certain conditions you *think* are necessary to have what you want. Aligned action is the action that will *actually* bring you what you want.

10 IT TAKES FAITH TO WORK MIRACLES.

Your first magical tool is your faith: faith in yourself and the Divine. To act in faith is to take action in alignment with Universal Truth on that which you cannot see. God(dess) works through faith!
